

CRUISE TO PARADISE

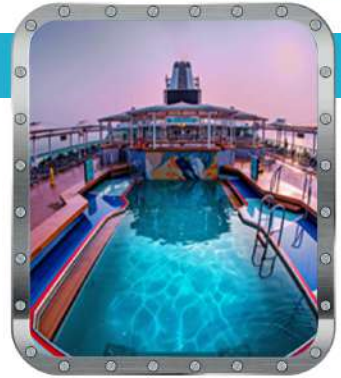

"Treat yourself to the ultimate gift this New Year & X'mas season, a magical festive cruise. Sail away from the seasonal stress. Welcome aboard as December is a great time of year to cruise!!! Sail in one of India's premium cruise liners, Cordelia Cruise offers luxurious living with various dining options, rejuvenation and entertainment."

Day 1: Welcome Aboard

The guest can board the ship as per the schedule time suggested by our representative. Once on board the guests can go around the ship and see the set sail from Cochin port. Evening watch one of the featured Broadway show or dine at any of the restaurants. Find a variety of entertainment- wander into the piano bar, try your luck in the casino or step out to a dance band in one of the bars. Then you can head to the disco where the DJ spins the hits all night long.

Meal plan : Lunch & Dinner onboard

Day 2: Explore Kadmat (Lakshadweep)

Lakshadweep is a tropical enclave of 36 islands and coral reefs in the Sea, off the coast of Kerala, India. Not all of the islands are inhabited, and only a few are open to visitors. After breakfast, you could opt sightseeing in Lakshadweep from the optional shore excursion offered by cordelia at an additional cost or simply walk around the beautiful Island. Our guests have all morning to spend their time at shore or come back on the ship for lunch. The guests can otherwise enjoy the day time activities onboard the ship, from dance classes, cooking demonstrations and more.

Meal plan : Breakfast, Lunch & Dinner onboard

Day 3: Fun-filled day in the middle of the sea

Wake up in the morning to grab mouthwatering breakfast and witness the vastness of crystal clear waters. Enjoy the extensive range of world-class amenities appointed such as **Rock climbing wall, Theaters, Casino, food, beverages and much more.**

Meal plan : Breakfast, Lunch & Dinner onboard

Day 4: Departure at Mumbai

Pack your bags full of memories as you return back to your respective places, only to visit again soon

Meal plan : Breakfast
