

The background of the entire poster is a photograph of the Eiffel Tower in Paris, France, taken from a low angle looking up. The tower's intricate iron lattice structure is clearly visible against a soft, hazy sky. The base of the tower and the surrounding area are visible at the bottom, with some trees and a paved path. The overall lighting suggests a late afternoon or early morning setting, with a warm, golden glow.

FRANCE – BELGIUM – NETHERLANDS – GERMANY – SWITZERLAND – LIECHTENSTEIN – AUSTRIA – SLOVENIA-ITALY - VATICAN CITY

Europe is a patchwork of more than 40 compulsively individualistic countries and is a dazzling and spectacular place to explore. Europe's almost unmanageable wealth of attractions are its biggest single draw. Among its astonishing cultural heritage you'll find everything from the birthplace of democracy in Athens, the Renaissance art of Florence, the graceful canals of Venice and the Napoleonic splendour of Paris to less obvious attractions such as the Moorish palaces of Andalucía.
